15-18 JULY 2017, CHIANG MAI, THAILAND

## Free trip to visit Chiang Mai University

Duration: 2 Hours

### Visit CMU

Chiang Mai University establishes new policies for foreign Tourists sight-seeing in the campus called "Visit CMU". Currently there are an increasing number of Chinese tourists visiting Chiang Mai including the university campus which is one of their first priorities in their sight-seeing itinerary. The policies focuses on using the fixed round routes provided by the electric cars with volunteers offering information.

The electric car service will bring you from the car park point at the front of the university. The electric cars will bring you to Angkaew Reservoir and will be allowed to get down to walk around and take photographs. After that the electric cars will bring back to the car park. During the tour they will be guided and lectured about background of the university, various buildings, courses and other dimensions about the university beyond the natural beauty including academic fields, university researchers and social services.
